BERNE
PROVENCE

**LA BASTIDE
DES GOMBERTS**

History of the house

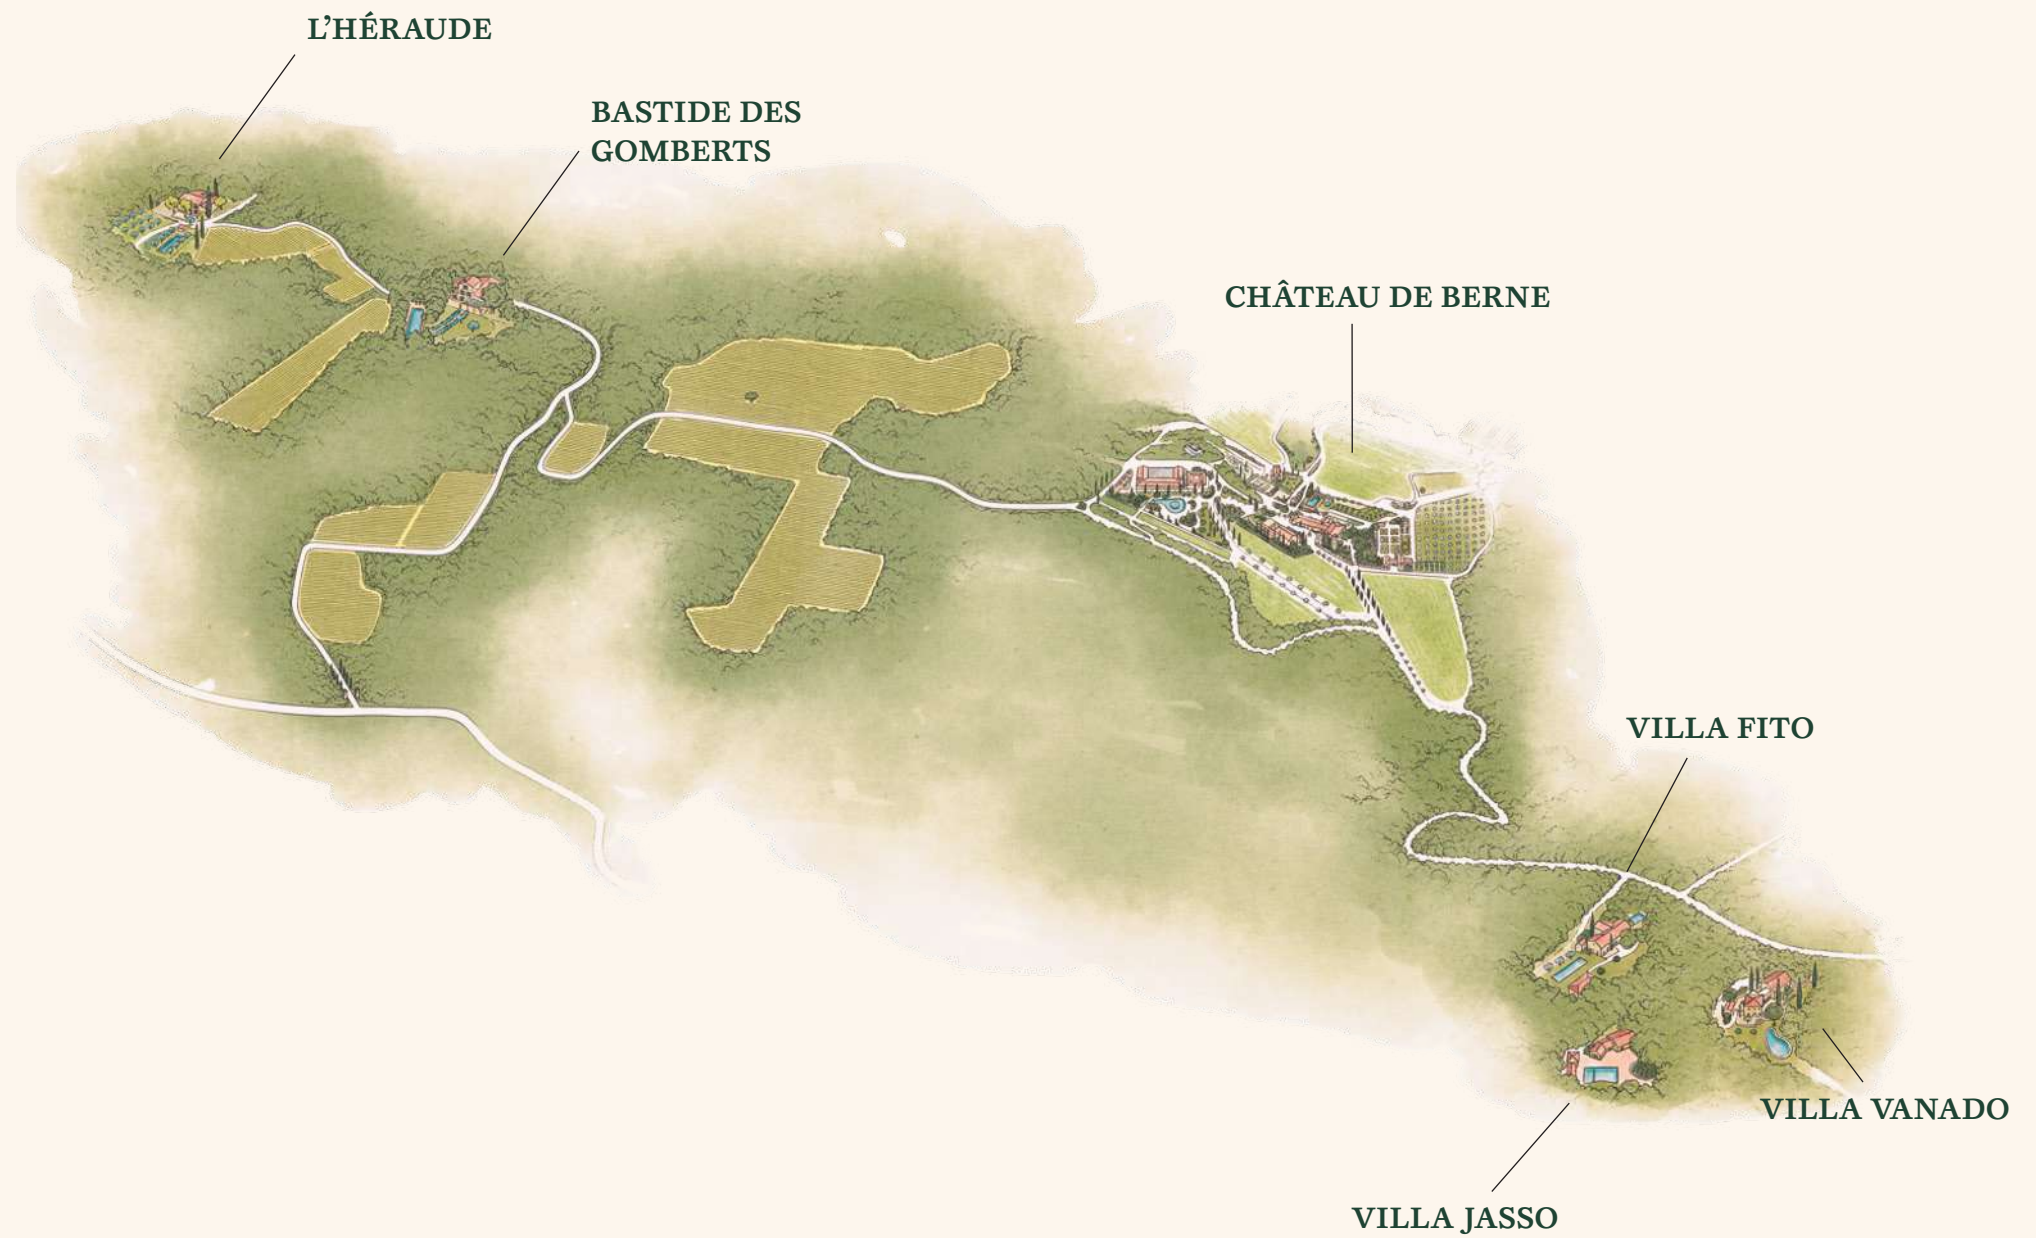

The name «Gomberts» is **a tribute** to the former owner of the land, a former Duke of Provence.

With this in mind, this rural building has been completely restored, retaining **its charm** thanks to its stone facade and perfectly landscaping its exterior with an olive grove, a vegetable garden and a lavender field, so typical of Provence.

An exceptional home that promises a return to its roots and a **reconnection with nature**.

In autumn, it's time to pick your own Bastide des Gomberts olives and take home a bottle of **freshly pressed oil**.
